Installation of a h rd pump to the completed bore well behind the To r Hall at Sira

---

Sir,

In forwarding herewith the correspondence ending with letter No H C 91/47-48 dated 27-1-1949 from the President, Town Municipal Council, Sira, on the above subject, I have the honor to state that the Municipal Council have at their meeting held on 13-6-1948 resolved that a hand pump may be installed to the bore-well behind the town hall at Sira

The estimate for Rs 506/- for providing hand pump to the completed bore well has been forwarded by the President, duly countersigned, to the Sanitary Engineer Bureau of Sanitary Engineering, Bangalore, with his letter No H C 91/47 dated 28th June 1948 for taking further needful action in the matter

The President who was requested to report the proposal of the Council to meet the estimated cost of Rs 506/- states that the expenditure will be met out of the closing balance and requests to obtain sanction of Government to the expenditure as much difficulty is being experienced for drinking water in the town during summer

I, therefore, request that sanction of Government may kindly be accorded to the resolution of the Municipal Council to meet the expenditure out of the closing balance of the Municipality for the current year

Yours faithfully,
Samuel Ayyappa
